

Derby Jobs Café : Supporting Refugee and Minority Ethnic Communities into Employment; 22 June 2023

Derby Jobs ran yet another successful recruitment fair, at the Better Together Café, at the Council House. We worked with over 20 employers including, Motus Commercials, Great Northern Classics, Derbyshire Constabulary, Derby City Council, Derbyshire County Council. The event was attended by over 200 jobseekers from our refugee and minority ethnic communities.

Amanda from Motus Commercials had job opportunities and expressions of interest from the event.

“I attended the Derby City Council Recruitment Café and really enjoyed showcasing our business to the variety of people that attended. At Motus Commercials our people are our most important asset, and we had a good response from the drive today and are looking forward to seeing the applicants come through.

As part of the event attendees had the chance to speak to UK Enic who specialise in transferring overseas qualifications to the UK equivalent enabling individuals to access employment that they are trained in.

Stephanie, from UK Enic spoke with many individuals on the day:

“I really enjoyed attending on Thursday at the Derby Jobs Café we both found it lovely to speak with so many individuals and organisations about UK ENIC Refugee Services and spread awareness about how we can help. We’ve been invited to future events off the back of this one and we’re looking forward to continuing to help those who need our services.
