

June 2022 - Pardeep, Right Legal

Due to his health conditions, Pardeep had been out of work since 2021.

Pardeep was part of JETS Reed in Partnership programme, where thanks to the Derby Jobs Weekly newsletter, he learned about the Derby Jobs Live event with Right Legal.

Pardeep attended the Derby Jobs Live event with the assistance of his work coach. The event showcased opportunities with Right Legal Group highlighting the workplace culture and how supportive they are, which gave him the confidence to apply, and he was invited to interview.

Following interview support sessions with Reed, Pardeep gave a successful interview and was offered employment. Pardeep said: "I am really happy to have returned to work. Right Legal is a really positive environment to work in and they really value their staff. The Derby Jobs Live session enabled me to find out about the opportunities at Right Legal that you don't get from just a normal vacancy advert. It provided first hand information on the culture of the workplace which I thought I would enjoy working in. I'm so glad I made the move and I'm enjoying being back in employment."
