

Voting by proxy

Proxy voting means that if you cannot vote in person, you can have someone you trust vote on your behalf.

You can use this form to apply for an emergency proxy if the photo ID you intended to use becomes unavailable **after 5pm, on the sixth working day before the poll** and you do not have a different form of accepted photo ID you can use.

You can also use this form to change an existing proxy if the photo ID your proxy intended to use becomes unavailable **after 5pm, on the sixth working day before the poll** and they do not have a different form of accepted photo ID they can use.

You can apply until **5pm on the day of the poll**.

To vote by proxy, both you and your proxy must be registered and eligible to vote. Your proxy must have an accepted form of photo ID.

A proxy can vote for a maximum of 4 people. No more than 2 of those people can be domestic electors. Domestic electors are voters who are neither overseas voters nor service voters.
