

Application to Establish a Neighbourhood Planning Group

Establishing a Neighbourhood Planning Group is the second stage of a process which will allow you to write a Neighbourhood Development Plan.

Before you submit an application to establish a Neighbourhood Planning Group, we must have already approved the area you wish to plan for.

As part of this application, you need to provide the names and contact details of at least 21 members of your group and ensure that they are representative of the community your proposed neighbourhood area covers.

As part of the validation process we will be contacting a random number of the people listed to ensure the validity of your application.

The checklist at the back of this application form sets out all of the supporting information we require you to provide as part of the application process.

We have produced a guide which will help you through the neighbourhood planning process. It is available from www.derby.gov.uk or you can contact us by telephoning 01332 64 0807 or by emailing derby.lfd@derby.gov.uk
