Dear Mr Moore,

Examination of Derby Local Plan Part 1: Core Strategy

Thank you for your letter of 17th August regarding us proceeding to consultation on the Main Modifications based on Issue 6 of the Schedule with an amended front page as requested.

I can confirm that we intend to start the consultation on Wednesday 14th September and for it to run to Thursday 27th October. Following this we will aim to send you any representations on Monday 31st October. We intend to consult on the amended supplement to the Sustainability Appraisal, Proposals/Policies Map and Minor Modifications at the same time. These will be contained in a separate schedule and the consultation material will make clear that only representations on the Main Modifications will be before you for consideration. We also confirm that you are correct that the only changes to the PM relate to the Friar Gate Goods Yard site.

We will send you copies of all the consultation material before it is published.

Yours sincerely

Andrew Waterhouse
