Good morning Carmel

I refer to your e-mail of 20 May about the above.

Highways England welcomes the opportunity to be involved in the consultation regarding the Derby City Local Plan Part 1 – Core Strategy: Supplementary Information on Derby's Five Year Housing Land Supply. It is acknowledged that the supplementary information has been provided at the request of the Inspector who has asked for further information to explain and justify the five year housing land supply position which was discussed at the Examination Hearing on 27 April 2016. The relevant documentation regarding this consultation are; Derby City Council's letter to Mr Moore regarding 5 year supply, Supplementary Information on the 5 year supply, Appendices – Supplementary Information on the 5 year supply and Local Development Scheme Version 6.

It is the role of Highways England to maintain the safe and efficient operation of the strategic road network whilst acting as a delivery partner to national economic growth. In relation to the Derby City Local Plan, Highways England's principal interest is safeguarding the operation of the A38, A52, A5111, A6 and A50.

Highways England has reviewed the aforementioned consultation documents, and does not consider it to be Highways England's position to comment upon the methodologies and calculations used by the Council to determine the five year land supply.

Highways England has no further comments to provide.

Dear Respondent

At the recent examination hearings the Inspector requested a block of work from the Council

regarding 5 year housing land supply. He gave a deadline of Friday 20 May. This information has now been received and can be viewed on the Council website. The relevant files have been added as EX038 – EX041.

Mr Moore is inviting further comments on this work. This will apply mostly to interested parties, who took part in the sessions, but he is also opening it up to all respondents to the Plan. Any further comments should be sent to me by **noon on Friday 10th June**.

Mr Moore has asked me to make provisional arrangements for an additional hearing day, in the week beginning 27th June. Once he has received the further comments, Mr Moore will take a view on whether this further session is necessary or not.

Please do not hesitate to get in touch if you have any queries.

Kind regards

Carmel
