# WIZ QUIZ

## TEACHERS NOTES

The **Wiz Quiz** is a fun but simple **Road Safety Quiz** that can be used in the classroom as a stand-alone activity or with the whole school in teams and supporting audience.

The quiz is split into five areas:

**1 Signs, Signals And Safer Crossing Places**

**2 Cars**

**3 Cycling**

**4 Walking**

**5 Bonus Round**

There are 4 questions in each area, so 20 questions in total.

There is an activity booklet that supports the quiz which can be sent home or completed in class.

The **Whiz Quiz** is a great way to engage and enthuse pupils of all ages about the important road safety messages.
