

PARKING ZONE 13 - OSMASTON ROAD AREA

HOURS OF OPERATION OF THE SCHEME

Monday to Saturday 8am to 6pm.
Limited waiting of 2 hours. No return within 1 hour.

Outside of these hours, there will be no restriction on parking, except where yellow lines apply.

These areas are for the use of residents who must display a valid residents' parking permit or visitors who are abiding by the limited waiting restriction. A permit does not guarantee you a parking space.

Any yellow lines (waiting restrictions) within the parking zone will continue to apply. Double yellow lines mean no waiting at any time.

Generally, loading is permitted, but not near junctions. Loading and unloading must be taking place and the vehicle must be moved as soon as the process is complete. Loading only includes the movement of heavy and bulky items to and from premises and the checking and signing of any associated paperwork.

RESIDENTS' ANNUAL PARKING PERMITS

- Annual permits are available to certain residents in the zone.
- The permit allows you to park in any of the bays or area within the zone. It is not street specific.

CURRENT CHARGES

- Often these schemes are introduced where the Council initially covers the cost of permits, however after such a period the charges are as follows: residents' annual permits - £25 for the first permit and £50 for additional permits at the same address.

DISABLED BADGE HOLDERS

Disabled Badge holders can also park in the parking zones, but must display their Blue Badge. Motorists who park in the zone without a residents' parking permit or Blue Badge will risk receiving a Penalty Charge Notice.

HOW TO OBTAIN A PERMIT

You will be required to complete an application form and provide proof of residency to obtain any permits and proof of vehicle ownership for the annual permit.

IF YOU MOVE HOUSE

Your permit will become invalid if you move house and you must return it to the Council. The new occupier cannot use your permit and similarly you must not use it after you have moved. If you move to another house within the Parking Scheme (even if it is the same zone) you will need to apply for a new permit for that address. Your old permit will need to be returned.

WHAT HAPPENS IF I CHANGE MY VEHICLE?

Firstly, remember to keep the Parking Permit when you sell your vehicle. It is in your own interest as a resident to ensure that non-residents do not obtain permits to which they are not entitled. If you have a new vehicle the details of your permit can be changed accordingly. Your old permit will still need to be returned and the new permit will be issued to the same expiry date.

If you fail to return the old permit, or put it on the new vehicle or try to alter the registration number shown on the permit, it becomes invalid and you will be liable to be issued with a Penalty Charge Notice.

RENEWAL OF PERMITS

A reminder is sent out when the annual permit is due for renewal. You can renew your permit at the Council House or online.
