

RESIDENT PARKING ZONE 2 - DREWRY LANE AREA

Resident Parking Scheme

HOURS OF OPERATION OF THE SCHEME

Monday to Saturday, 8am to 6pm, including bank holidays.

Outside of these hours, there will be no restrictions on parking, except where yellow lines apply.

These areas are for the use of residents who must hold a valid residents parking permit or their visitors who must be issued with a valid visitors permits.

You may issue visitor permits for those undertaking maintenance or improvements to your home. A permit does not guarantee you a parking space.

Any yellow lines or limited restrictions within the resident parking zone will continue to apply.

Generally, loading is permitted but not near junctions. Loading and unloading must be taking place and the vehicle must be moved as soon as the process is complete. Loading only includes the movement of heavy goods and bulky items to and from premises and the checking and signing of any associated paperwork.

RESIDENT PERMITS

- Permits are available to certain residents in the zone
- The permit allows you to park in any of the bays or area within a zone. It is not street specific.
- There are specific conditions on the issue of business permits as they have to relate to vehicles required operationally for the business within the zone.

RESIDENT VISITOR PERMITS

- Daily permits are available for your visitors.
- Visitor permits are only valid for your visitors.

INFORMATION FOR YOUR VISITORS

Paper visitor permits:

- If you have a paper visitor permit, you must scratch off the day, date and month of use.
- You must clearly display the permit in your vehicle.

Digital visitor permits:

HOW TO OBTAIN A PERMIT

All parking permits are now digital. This means that if you have a current paper permit, when it comes to renewing your permit, you will need to do this through the Mi Permit online store: secure.mipermit.com/derby/application/home.aspx

If you are a new customer then you will need to create an account with Mi Permit and purchase your digital permit.

IF YOU MOVE HOUSE

If you have moved address within six months of purchasing your permit, please contact MiPermit via the MiPermit online store and ask to have your address transferred. If you have moved address after six months of purchasing your permit, you will need to purchase a new permit.

As all of our permits are digital, you will be able to change the vehicle registration on your digital permit by logging into your MiPermit account and going to 'Manage Digital Permits', the changes made will take effect immediately. If you fail to update the vehicle registration, the permit becomes invalid and you will risk receiving a Penalty Charge Notice.
