

Children and Young People with Hearing Impairment

Information for Parents

Safeguarding

All Advisory Teachers have a responsibility to share concerns about a child's welfare with statutory agencies responsible for safeguarding children within homes and settings. We aim to be as transparent as possible in this situation.

Our role includes

Our role may include:

- Providing information, advice, support and guidance to parents, families, carers and children and young people with Hearing Impairment.
- Individual tuition
- Advice and support for Teachers, Teaching Assistants, Early Years setting staff and other professionals
- Audiological Assessment.

Referrals are received from Audiology following confirmation of hearing loss, but if you think we may be able to advise you then please contact us **01332 641400** .

Functional Listening Assessment

Audiological advice and support for the management of:

- Personal hearing aids
- Assistive Listening Devices
- BAHAs
- Cochlear Implants
